

The Tracie Approach:

A Coast to Coast Connected Agent Network for All of Your Real Estate Needs

I am part of an expansive broker network through COMPASS and REALM Global. When a friend reached out to ask me to recommend an expert to sell her home in Corona Del Mar, California, I immediately knew the right broker to introduce. Annie successfully guided my client in the selling process, executed accurate pricing and stellar marketing, and sold her home for top dollar in a difficult market. This is another essential way I am able to help my clients achieve success, through my extensive broker network.
